**RETAINING WALL REPAIRS ON NH ROUTE 28A IN ALTON**  
***“NO THRU TRUCKS” FOR 10 WEEKS UNTIL WORK IS COMPLETED***

The New Hampshire Department of Transportation announces work is scheduled to begin Monday, December 16, on retaining wall repairs and rail replacements on NH Route 28A in Alton.

This project is located approximately one-quarter mile from the junction with NH Route 11 at the southern end of Alton Bay on Lake Winnepesaukee.

This project is expected to take 10 weeks to complete. Concrete barriers will be used to restrict lanes to 10-foot widths, and no thru trucking will be allowed during the project. Daily work hours will be from 7:00 am until 3:00 pm.
